Protest Filed Against Proposed Extension of Carroll Avenue. pecial Correspondence of The Evening Star. LAUREL, Md., January 17, 1902.

A protest was presented to the town council of Laurel at a recent meeting against the proposed extension of Carroll avenue to the vicinity of the Baltimore and Ohio railroad. The proposed work would lengthen the street by about two squares. Attached to the protest are the signatures of all but one or two of the property own ers whose land abuts on the contemplated extension. The 13th of this month was the lmit set by the town council for the filing of protests against it.

There seems to be an impression am

the parties who entered the protest that the object for the opening of that sacranghy fare was to ultimately provide a way for the construction of a switch from the Beltimore and Ohto railread, the tracks of which would occupy the opened street as stricken about ten days age. # ADDRESS BY MR. HINRY E. DAVIS

General Government's Obligation to Pay One-Half District's Expenses.

THE ASSOCIATION'S BANQUET

Taxation, personal and real, was the

theme at the regular monthly meeting of the Business Men's Association at the Hotel Barton last night. The meeting, which was largely attended, was called to order by President Mitchell Dyrenforth shortly after 8 o'clock. Secretary Barry Bulkley read the minutes of the previous meeting, which were approved, and then presented a circular letter which has been addressed to various merchants throughout the city in the name of the association, requesting their support in securing an amendment to the new code which shall increase the penalty for shoplifting. Mr. Bulkley explained that at the present time the penalty for this offense is entirely inadequate. The amendment proposed provides a penalty of not more than \$500 fine nor more than twelve months' imprisonment for a person convicted of shoplifting. Both fine and imprisonment may be imposed in the discretion of the court. The amendment was

adopted by unanimous vote. Henry F. Woodard, chairman of the special committee appointed to examine the proposed personal tax law, in a report cov-ering ten typewritten pages, showed that the citizens of the District are being un-justly taxed, and that the United States government not bearing its proportion of

Mr. V. Baldwin Johnson, a member of the committee, made a supplemental re-port, attacking the law. Dr. Robert Reyburn presented a resolution authorizing the appointment of a committee for the consideration of the personal tax question, which was adopted.
